For transfer of service a copy of the settlement statement must be attached to this application.

For rental properties, it is the responsibility of the property owner to provide current tenant information. Property owner understands that the Township can provide a copy of the bill to the tenant but we will not bill the tenant. The property owner is legally responsible for all sewer charges.

Property owner understands that the Township will take legal action to collect all delinquent amounts, including liens, sheriff sale of personal property or foreclosure on the property noted in the service address.

Active accounts are billed the minimum quarterly user fee for all vacant properties.

The Township does not offer final reads, all service credits must be handled at property closing by the settlement Attorney.

Owner Initials acknowledging the above statements: _____
